CDO Spotlight

The Internship Series

The Internship Series is a comprehensive source of internship listings. In the past this resource was only available in a once a year hard-copy version in our career library. Beginning this year this resource is now available online. It is regularly updated and students can now access it 24/7.

The site provides full, up to date information on over **2,800** organizations offering internships and summer jobs for students. Internship categories include: Social Service, International Affairs, Women's Rights, America's Top Companies, Media, Sports, Green, Washington, Resort and Seasonal Employment, Congressional, Human Rights, History, Advertising, and Museums.

You can access these postings by visiting the Internship and Summer Job page of the CALS CDO website at : <http://www.cals.cornell.edu/cals/current/career/find/internships/index.cfm>.
