### Opportunities

#### Summer Research Experiences for Undergraduates

Roswell Park Cancer Institute (RPCI) with funding from the National Science Foundation (NSF) and National Cancer Institute (NCI) offers research opportunities designed to give undergraduates exposure to basic biological and biomedical research. Juniors with an interest in a career in scientific research are encouraged to apply. Visit [www.roswellpark.org/summer](http://www.roswellpark.org/summer) for program details and on-line application. The application deadline is February 1, 2009.

#### Cornell Plantations Internships

Interested in a summer internship with the Cornell Plantations? If the answer is yes, submit your resume via the Cornell Plantations [website](#). This internship program is open to freshmen through seniors.

#### City Year New York

City Year is a non-profit organization that unites young people of all backgrounds for a year of full-time service, giving them the skills and opportunities to change the world. As tutors, mentors, and role models, these young leaders make a difference in the lives of children and transform schools and neighborhoods across the United States. As a City Year "Corps Member," you will join more than 1,500 17-24 year olds from all backgrounds to serve full-time for a year. This opportunity will be promoted through Cornell [CareerNet](#) to January grads and 2008 grads. Applications due November 15 at [www.cityyear.org](http://www.cityyear.org)

#### The Corning Museum of Glass

The Corning Museum of Glass, the world's best glass museum, is seeking dynamic narrators with backgrounds in theater or public speaking to assist in presenting interactive demonstrations to visitors of all ages. Join the team and enjoy: competitive pay, long or short-term assignments, part or full time position, the opportunity to interact with visitors of all ages from around the world. For more information or to apply, contact Eric Goldschmidt at (607)329-5184 or visit [www.cmog.org](http://www.cmog.org)
