Events

Senior/Junior Women-Alumnae Events

These events are hosted by alumnae in their homes to provide a forum for graduates and graduating women to discuss a wide range of topics related to life after Cornell:

- Moving across country - find a job first? Or move first?
- Finding activities and community outside the workplace
- Balancing time for work and family
- "Glass Ceiling and Mommy Track" - myths or realities?
- Apartment hunting
- Networking tips
- Cost of living; negotiating salaries
- What insurance do you need?

The purpose of these dinners is not employment but rather to help ease the transition from university to workplace through discussion of issues shared by women. (Seniors interested in the planning committee email NFLI.)

On-line Registration: Nov. 1 - Dec. 10: career.cornell.edu

Attendance is limited to 8-15 students per event and an equal number of alumnae. Dinners/brunches will be held during winter break (most the week of January 4) in homes of alumnae in:

Albany, NY; Boston, MA; Buffalo, NY; Chicago, IL; Los Angeles, CA; Miami, FL; Philadelphia, PA; Rochester NY; San Francisco, CA; Washington, DC; Bronx, NY; Brooklyn, NY; Fairfield County, CT; Long Island; New York City; Northern New Jersey; Princeton, NJ; Westchester County, NY. Informal events in Minneapolis, MN, Portland, OR, Seattle, WA.

Opportunities

Paid undergraduate internships in biology at the Institut Pasteur in Paris for summer 2009. The Institut Pasteur is one of the world's leading biomedical research organizations. Specific fields include genetics, bacteriology, molecular and cellular biology, dynamic imaging, retrovirology. For detailed information and application materials visit www.pasteurfoundation.org.
