### Opportunities

#### Equine Breeding Farm Internship

The Equine Reproduction Laboratory, Colorado State University, is offering 1 (one) Breeding Farm Internship beginning July 1, 2009. The goal of the program is to provide advanced training in equine breeding farm procedures and management. The program is aimed preferentially for people with a sincere desire to pursue a career in the equine breeding industry. Send cover letter outlining previous equine experience, educational background and career goals; current resume; transcripts and three (3) letters of recommendation to the attention of: Brenda Martin at Colorado State University, Animal Reproduction and Biotechnology Laboratory, 1683 Campus Delivery, Fort Collins, CO 80523, or [bdmartin@colostate.edu](mailto:bdmartin@colostate.edu), by Wednesday, April 15, 2009 for full consideration. For more information see the web site at [www.cvmb.colostate.edu/bms/er/](http://www.cvmb.colostate.edu/bms/er/) or call (970) 491-5621.

#### Cornell Cooperative Extension Summer Internships

Please see <http://cce.cornell.edu/view/show/internships.html> for the current listing. Please make sure to check on the application deadline and other detail information. Most of the application deadlines are Monday, April 6, but some will close at the end of the March. Make sure to send a separate resume and cover letter for each position you are interested in.
