Have a great summer!!

NOTE: Please check past issues of this newsletter as some previously listed internships and full-time opportunities still have viable deadlines.

Internship & Summer Opportunities

CALS Internships On-Line. One of the most widely utilized internship resources for CALS students is now available on-line at <http://internships.cals.cornell.edu/>. Check out the database of over 500 opportunities including options for every CALS major. Detailed information about these internships is also available in the CALS Career Development Office, 177 Roberts Hall.

Full-Time Employment Opportunities

Biologist 1 (Aquatic, Ecology, Marine, and Wildlife) Exam-NYS Dept. of Civil Service. This is a continuous recruitment exam based on training and experience. On or before the date of filing your application, you must have a bachelor's or higher-level degree including or supplemented by 30 semester credit hours in the biological sciences. Only for Examination No. 20-813, Biologist Trainee 1 (Marine), the 30 semester credit hours can include coursework in oceanography and marine technology in addition to coursework in the biological sciences. These 30 semester credit hours must include 18 specialized semester credit hours. Please see the link below for detailed job

descriptions and application information:

http://www.cs.state.ny.us/announ/cr_announcements/20-811.htm

Prepare for Fall 2008 On-Campus Recruiting

● Summer

- Save copies of your CornellTRAK resumes by **Monday, June 30** when CornellTRAK's contract with Cornell Career Services expires. (Watch your e-mail in box for more details.)
- Read e-mail correspondence with important updates about *Cornell CareerNet*, the new career information management system.
- Conduct three to six information interviews with Alumni Career Link members.
- Update your resume with summer experiences.
- Begin submitting resumes for Fall 2008 on-campus recruiting (some time around Friday, August 15).

● Return to campus

- Get your updated resume critiqued.
- Complete the Summer Experience Survey (and get rewarded with free ice cream!).
- Meet with a counselor to discuss your full-time or summer job search strategy.
- Read e-mail correspondence from CALS CDO and CCS Barnes.

- ☑ Attend Cornell Career Fair Days (Tuesday and Wednesday, September 9 and 10) and employer information sessions, if interested.
- ☑ Finish submitting resumes for first deadline (Thursday or Friday, September 11 or 12).
- ☑ Begin interviewing with on-campus recruiters (Monday, September 24).

In addition to the on-campus recruiting program, we encourage you to utilize all of the services offered by the CALS Career Development Office so that we can help you with all of your career development needs!

CDO Drop-In Hours and Appointments

Drop-in hours ended for the Spring 2008 semester on Friday, May 2.
