

Internal Transfer Information Sessions Fall 2008

Students enrolled in a college at Cornell who are interested in transferring to the College of Agriculture and Life Sciences are required to attend a mandatory information session that covers the application process, timelines, and requirements. Internal transfer applications will be distributed at these sessions. Students who do not attend an information session will not receive an application.

Below is a list of the dates and times that the information sessions are offered. Please note that the Admissions Committee does not meet with students interested in pursuing the internal transfer process on an individual basis.

Students interested in transferring to the Applied Economics and Management major must attend an AEM-focused session.

General Internal Transfer Information Sessions (all majors in CALS except for AEM) Please report to 177 Roberts Hall

Tuesday, September 16 @ 2:00pm

Wednesday, October 22 @ 10:00am

Thursday, November 6 @ 9:00am

Friday, November 21 @ 3:00pm

Attendance at one information session is mandatory. The Admissions Committee will not consider any applicant who has not attended an information session.

***The Admissions Committee reviews an applicant's entire transfer application packet. These course guidelines are one aspect of the application review components.**

Major/Specialization	Course Guidelines*
Biological Sciences	<ul style="list-style-type: none">• Minimum cumulative Cornell GPA of 2.75• At least one course in Biology completed before transfer with a B or better
All other majors	<ul style="list-style-type: none">• Minimum cumulative Cornell GPA of 2.5• At least one course in your new interest area completed before transfer with a B or better
